

Mar 25, 2025 | 📅 iConsultancy CCE Meeting

Attendees: aabdul35@terpmail.umd.edu ndossin@terpmail.umd.edu Antonya da Silva
Lauren Reyes Ryan Lacey McBride

Notes

- Survey Development
 - Utilize Quadratics, a UMD resource, to conduct surveys.
 - Collect all gathered data in a spreadsheet for organization.
- Data Management
 - Antonya will collaborate with Ryan to analyze the data and provide guidance.
 - Draft survey questions should be sent to Antonya, who will set them up in the app.
 - Share the draft document with Antonya for review and edits.
- Interview Process
 - Ideal interview format: two-person teams.
 - Send Abdullahi and Ryan the Doodle poll to check availability.
 - Plan for 5-6 participants per session, with a time limit—consider using roundtable discussions.
- Next Steps & Deadlines
 - By the end of this week:
 - Finalize the script and send it out. Antonya will review it and email back.
- Next week:
 - Gather availability and secure participants.
 - Aim to have a clear game plan before the next meeting.
